DECISION GRANTING STATUS
UNDER 37 CFR 1.47(a)

This is in response to the petition under 37 CFR 1.47(a), filed March 18, 2002 (Certificate of Mailing date of March 6, 2002).

The petition is GRANTED.

Petitioner has shown that inventor Vladimir Starov has refused to join in the filing of the above-identified application after having been presented with the application papers. As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the last known address indicated in the declaration. Notice of the filing of this application will also be published in the Official Gazette.

After this decision is mailed, the above-identified application will be returned to the Office of Initial Patent Examination for further processing.
